It is a "BYOB" evening.

Come expecting to have a great time!

It has been a great year for GGHBA! If you haven't been involved in 2018 start now making plans to get involved. We meet every 2nd Tuesday night at 6:00 PM at Top of The River and would love to see you there. We have great speakers and it is a good time to meet other people in the building industry and exchange ideas and of course your business card!
