**• MESSAGE FROM THE PRESIDENT •**

I hope everyone got a chance to attend GGHBA's Annual Golf Tournament. What a beautiful day to enjoy a round of golf and maybe a few cold b.....b.....be.....bee.....bottles of water or whatever quenches your thirst. I believe this was our best tournament. Thanks to everyone that worked hard to get teams, sell signs, gather grab bag items and door prizes. A special thanks and appreciation to our Executive Officer, Debbie Thompson. Debbie works very hard on all our events and is a critical part of making our organization relevant both locally and on the state level. Thanks to all the teams and sign buyers!! Your participation is what makes our events a success and provides financial resources for GGHBA.

**As the Board of Directors and I worked through our plans for this year we have decided to suspend the builder incentive program. Although beneficial, we believe it is best to redirect the funds into a member recruitment/retention venture. Be looking for opportunities to introduce a new member and encourage current members to participate and continue supporting GGHBA. Once again, thank you to everyone that played, worked and supported this year's GGHBA Golf Tournament!!! *Bobby***

**Thank you to all our sponsors because we couldn't do this without you.**

**Congratulations to all our winners:**
