LOCATION: TOP OF THE RIVER, GADSDEN, AL

• SPEAKER •

Tommy & Valerie Goodman live in Southside & attend Church of the Highlands, Gadsden Campus. They have four children, two grandchildren & a third grandchild due in November. Valerie is a native of Shelby County and worked 11 years in non-profit marketing, development and grant-writing. Tommy grew up in Indiana and moved with his family to Alabama at the age of 14. He has been employed at Honda Manufacturing of Alabama since it's opening in 2000.

In December of 2018 Tommy & Valerie learned about SHP – Sleep in Heavenly Peace – a 501©3 non-profit providing free beds, mattresses, and bedding to kids ages 3-17 sleeping on the floor (or in compromised sleeping conditions – they will explain). They knew immediately this was something they wanted to be a part of. In March they traveled to Idaho for official training and as of the 3rd week in May the Gadsden Chapter of SHP was officially launched and receiving bed applications to build beds for Kids.
