Time for New Car Tags?

The HBAA has its own State-approved distinctive license plate! You'll also be supporting trade education, as the fees associated with the specialty plate go to the Alabama Home Builders Foundation where they will be used to expand trade education across Alabama.

How much does the HBAA license plate cost?

The license plate is \$50 in addition to your regular tag fees. The more HBAA license plates that are sold, the more money we are able to put toward supporting building trades education throughout Alabama!

How do I get the HBAA license plate?

Visit your local tag office and ask for the Home Builders tag. You can also personalize it with your company name
