HBAA Announces New Partnership Your paragraph text with Frankenmuth Insurance

Frankenmuth[®]
INSURANCE

The HBAA is pleased to announce a new partnership with [Frankenmuth Insurance](#), a super-regional carrier based in Frankenmuth, Michigan, to offer exclusive discounts on essential business coverages for members.

As part of this program, members can benefit from reduced subcontractor rates for general liability, specialized audit procedures, complimentary safety programs and training materials, efficient claims handling, and more.

In addition, Frankenmuth Insurance includes their “Your Work Coverage Extension” endorsement with every contractor’s general liability policy, providing coverage for subcontractors’ faulty work — an added safeguard for businesses.

“We are thrilled to be able to offer this new opportunity to our members and look forward to continuing to educate and promote safe, affordable housing across our great state,” said HBAA Executive Vice President Russell Davis.

Frankenmuth Insurance is one of the industry’s most financially sound, stable, and secure carriers, earning them an AM Best A (Excellent) financial strength rating. They partner with only the best agencies in the industry to offer guidance, expertise, and personalized attention.

For more information about Frankenmuth and to find a broker in your area, visit [fmins.com](#).
