HOW DO I GET MY PROJECT FEATURED IN ALABAMA HOMEBUILDER MAGAZINE?

We're always on the lookout for beautiful recent builds from all across the state to showcase in *Alabama Homebuilder* magazine, the quarterly publication of the Home Builders Association of Alabama.

To be considered for feature in the magazine, projects must be:

- Built by a current builder member of the Home Builders Association of Alabama
- Recently completed (within the past 24 months)
- Fully furnished and professionally photographed both inside and out
- Residential construction only

Got a project that you think would be a great fit for the magazine?

Send a few exterior and interior photos, along with a brief description of the project (location, square footage, any outstanding features of the home), to Editor Lisa Watkins (lisawatkins@hbaa.org) for consideration.
